Unidentified F-47 plane over city briefly about 7:10 a.m., June 22 machine-gunned ravine at edge of city where troops remaining in city from Guardia de Honor barracks located and Shell Oil storage installations on other side of city. No(repeat no) damage to troops but Embassy reliably informed small and quickly extinguished fire started at Shell plant and main 250,000 gallon gasoline tank punctured and is leaking. Company is draining gas into tankcars for transfer to plants of other oil companies here.
